

University also reserves the right to increase, decrease, or delete items at the quoted price in order to stay within the project budget.

The price(s) of each bid must be kept firm for a period of sixty (60) days.

Any brand names mentioned in the bidding documents are used for the purpose of describing the standard of quality, performance and characteristics desired and are not intended to limit or restrict competition. Any substitution to the items as specified must be an equal. "Or equal" submissions will not be rejected because of minor differences in design, construction or features that do not affect the suitability of the product for its intended use. The burden of proof that the product is equal rests with the bidder. A bidder may propose substitutions with their bid by listing the product substitution(s) in the bid form. The University will recommend approval or rejection prior to award of contract. Bidders offering substitutions must furnish at the time of the bid opening complete descriptions, pictures or drawings and specifications of the product(s).

All bidder's must furnish their Illinois Human Rights number in the space provided on the Bid Proposal. No person or company shall be eligible to be awarded a contract subject to the competitive bidding requirements of the Illinois Procurement Code (30 ILCS 500., as hereafter amended) unless such person or company has filed with the Department of Human Rights a properly completed and sworn Employer Report Form (Form PC-1) which is currently valid. Forms may be obtained from the Illinois Department of Human Rights - phone 312/814-6200 or downloaded from their home page at <http://www.state.il.us/dhr>. (Important Information for Vendors: Vendors must have a current Illinois Department of Human Rights (IDHR) Bidder Eligibility Number to be eligible for award of public contracts. All IDHR numbers 89999-00-0 or lower expired on August 31, 1999. If you do not currently have a number or your number is 89999-00-0 or lower, you must register or re-register in order to remain eligible.)

The University Purchasing Office must be notified at least 24 hours prior to shipping to confirm date of arrival. Delivery and/or completion of this contract after receipt of order must be no later than the project completion date stated above.

If no bid is to be submitted, please complete and return the "No Bid Reply Form" to the Purchasing Office, Western Illinois University.

Bid documents and specifications may be obtained from the Purchasing Office, Sherman Hall, Room 227, Western Illinois University, Macomb, IL 61455.

Bid information for Western Illinois University as well as all other public universities may be found at the following Internet location: **<http://www.procure.stateuniv.state.il.us>**.

SPECIFICATIONS/ALTERNATES: Any brand names mentioned in the bid documents are used for the purpose of describing the standard of quality, performance and characteristics desired and are not intended to limit or restrict competition. Any substitution to the items as specified must be an equal. "Or equal" submissions will not be rejected because of minor differences in design, construction or features that do not affect the suitability of the product for its intended use. The burden of proof that the product is equal rests with the bidder. A bidder may propose substitutions with their bid by listing the product substitution(s) in the bid form. The University will recommend approval or rejection prior to award of contract. Bidders offering substitutions must furnish at the time of the bid opening complete descriptions, pictures or drawings and specifications of the product(s). See Appendix I.

CRITERIA FOR AWARD: The award of a contract/purchase order will be made to the lowest bidder, considering price, discounts offered, transportation costs, installation costs, responsibility and capability of the bidder, availability of funds and all other relevant factors, provided the bid meets the specifications and other requirements of the bid information.

NON-APPROPRIATION CLAUSE: Any ensuing contract as a result of this bid is subject to termination and cancellation without any penalty, accelerated payment, or other recoupment mechanism as provided herein in any fiscal year for which the Illinois General Assembly fails to make an appropriation to make payments under the terms of this contract. In the event of termination for lack of appropriation, the Contractor shall be paid for services performed under this Contract up to the effective date of termination.

PREVAILING WAGES: In accordance with the Illinois Procurement Code, Bidder certifies that employees involved in printing (regardless of cost) or for service contracts of \$2,000 or more or \$200 or more per month receives the prevailing wage rate and is working under conditions prevalent in the locality where printing is taking place. Services include janitorial cleaning services, window cleaning services, food services and security services. Bidders interested in submitting a bid for such projects must contact the Illinois Department of Labor for the current prevailing wage rate. For printing projects, the bidder certifies soybean oil-based ink is being used to produce this publication.

CERTIFICATIONS:

STATE BOARD OF ELECTIONS CERTIFICATION REQUIRED BY PUBLIC ACT 95-971

***NEW STATE OF ILLINOIS REQUIREMENT
PLEASE READ CAREFULLY BEFORE RESPONDING***

INSTRUCTIONS:

Any firm or individual who wishes to submit a bid or proposal in response to this solicitation must make the certification below. If you do not make the certification below (and attach a copy of the certificate of registration from the State Board of Elections, if required), your bid or proposal cannot, by law, be accepted by the University.

Note:

If you do \$50,000 worth of business annually with the State of Illinois, including the state universities, you are required to register with the State Board of Elections and obtain from them a certificate confirming your registration. Responses to Invitations to Bid, Requests for Proposals, Requests for Information, and all other types of procurement solicitations are included in the calculation of this \$50,000 annual amount, whether you receive a resulting award or not. If you do less than \$50,000 worth of business annually, you may be exempt from the registration requirement.

Please refer to Public Act 95-971, which is available at <http://www.ilga.gov/legislation/publicacts/fulltext.asp?Name=095-0971&GA=095>, and the State Board of Elections website (www.elections.il.gov) for more specific information on whether you are required to register or not. Information on how to submit copies of the registration certificate to the Chief Procurement Officer for Higher Education is available at the Illinois Public Higher Education Procurement Bulletin website <http://www.procure.stateuniv.state.il.us>.

CERTIFICATION:

You must check the box that applies to you:

- The Contractor certifies that they are not required to register as a business entity with the State Board of Elections pursuant to the Procurement Code (30 ILCS 500/20-160). Further the Contractor acknowledges that all contracts between State agencies and a business entity that do not comply with this Section shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

or

- The Contractor certifies that they have registered as a business entity with the State Board of Elections and acknowledges a continuing duty to update the registration pursuant to the Procurement Code (30 ILCS 500/20-160). Further, the Contractor acknowledges that all contracts between State agencies and a business entity that do not comply with the Section shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

Contractor has

- (a) registered as a business entity with the State Board of Elections pursuant to Section 20-160 of the Procurement Code;
- (b) provided a copy of its Certificate of Registration with its response to this solicitation;
- (c) submitted a copy of its Certificate of Registration to the Chief Procurement Officer for Higher Education; and
- (d) acknowledges a continuing duty to update its registration.

The bidder/proposer also acknowledges that any contracts entered into with bidder/proposer are voidable by the University if bidder/proposer fails to comply with the requirements of Section 20-160 of the Procurement Code.

****Reminder****

- Unless you are currently exempt from registering under Box #1 above, you are required to provide a copy of your certificate of registration with your bid or proposal. Before submitting your bid or proposal, check here to confirm that a copy of your certificate of registration is attached.

ILLINOIS INFORMATION TECHNOLOGY ACCESSIBILITY ACT: As required by Illinois Public Act 095-0307, all information technology including electronic information, software, systems and equipment developed or provided under this bid document/contract must comply with the applicable requirements of the Illinois Information Technology Accessibility Act Standards as posted at <http://www.dhs.state.il.us/itaa>.

LEAD POISONING: Pursuant to P.A.-879, if Contractor is the owner of residential rental property in Illinois, Contractor certifies that it has not committed a willful or knowing violation of the Illinois Lead Poisoning Prevention Act that has not been mitigated.

PROHIBITION OF GOODS FROM CHILD LABOR ACT: The Contractor certifies in accordance with Public Act 94-0264 that no foreign-made equipment, materials or supplies furnished to the State of Illinois under the contract have been produced in whole or in part by the labor of any child under the age of 12.

PROHIBITION OF GOODS FROM FORCED LABOR ACT: The Contractor certifies that in accordance with Public Act 93-0307 no foreign-made equipment, materials, or supplies furnished to the State of Illinois under the contract have been produced in whole or in part by forced labor, convict labor or indentured labor under penal sanction.

SUCCESSOR VENDOR CLAUSE: As provided in Section 25-80 of the Illinois Procurement Code, in order to be considered "responsible" under the Code any successor company to the winning bidder or offeror on a service contract (except for heating and air conditioning, plumbing, or electrical services) must certify to the University that it shall offer to assume the collective bargaining obligations of the prior employer relative to the services covered by the contract and shall offer employment to all employees of the prior employer who perform work similar to that covered by the contract.

PROCUREMENT OF DOMESTIC PRODUCTS ACT: Please check the statement below that applies to the articles you are offering in this bid/proposal.

For the purposes of this question "manufactured in the United States" means in the case of assembled articles that final assembly occurred in the United States.

- We certify that all offered articles were/ will be manufactured in the United States.

We understand that, if we are awarded a contract based on a preference for US manufactured goods under the Procurement of Domestic Products Act (PA 93-0954), this certification will become part of the contract, and, if we knowingly supply non-US manufactured goods, we will be subject to penalties that include debarment for 5 years, voiding of the contract, and civil damages.

We are unable to certify that all offered articles were/ will be manufactured in the United States.

CONVICTION OF A FELONY: The Contractor certifies in accordance with 30 ILCS 500/50-10.5 that no officer, director, partner or other managerial agent of the contracting business has been convicted of a felony under the Sarbanes-Oxley Act of 2002 or a Class 3 or Class 2 felony under the Illinois Securities Law of 1953 for a period of five years prior to the date of the bid or contract. The Contractor acknowledges that the contracting agency shall declare the contract void if this certification is false.

ENVIRONMENTAL PROTECTION ACT: The Contractor certifies that it is not barred from being awarded a contract under 30 ILCS 500/50-14 and that the Contractor acknowledges that the University may declare the contract void if the certification completed pursuant to this subsection is false.

DEBT DELINQUENCY: The Contractor certifies that it, or any affiliate, is not barred from being awarded a contract under Section 30 ILCS 500/50-11 of the Illinois Procurement Code, as amended. Section 50-11 prohibits any bidder from submitting a bid or entering into a contract with a State agency if that bidder knows or should have known that it, or any affiliate, is delinquent in the payment of any debt to the State as defined by the Debt Collection Board. Section 50-12 prohibits a person from entering into a contract with a State agency if it, or any affiliate, has failed to collect and remit Illinois Use Tax on all sales of tangible personal property into the State of Illinois in accordance with the provisions of the Illinois Use Tax Act. The contractor further acknowledges that the contracting State agency may declare the contract void if this certification is false or if the contractor, or any affiliate, is determined to be delinquent in the payment of any debt to the State during the term of the contract.

EDUCATIONAL LOAN DEFAULT: If an individual, the contractor certifies that it is not in default on an educational loan as provided in 5 Illinois Compiled Statutes 385/3.

BID RIGGING/ROTATING: The bidder certifies that is has not been barred from contracting with a unit of State or local government as a result of a violation of Section 33E-3 or 33E-4 of the Criminal Code of 1961. (720 ILCS 5/33)

BRIBERY: The contractor certifies that it is not barred from being awarded a contract or subcontract under Section 50-5(a)-(d) of the Illinois Procurement Code (30 ILCS 500/50-5{a}-{d}).

DRUG FREE WORKPLACE: The contractor (whether an individual or company) agrees to provide a drug free workplace pursuant to Public Act 86-1459. The Drug Free Workplace Act prohibits a State agency from entering into a contract agreement unless the contractor has provided a certification that it will provide a drug free workplace. This is required of all corporations, partnerships and other entities with 25 or more employees. Drug Free Workplace Act requires the following certification for Individuals - The individual certifies that the individual will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the performance of the contract. (30 ILCS 580)
